for a live-streamed tour of
Ohrid, North Macedonia

When:

Where:

Where mountains meet the still waters of one of Europe's oldest lakes, Ohrid reveals over 3,000 years of history and beauty. As we explore cobblestone streets and ancient shores, you will encounter Byzantine churches, a medieval fortress, and stories from the Macedonian kingdom to early centers of Slavic literacy. As evening settles over the lake, you will see why Ohrid lingers long after the journey ends.
